#### ENNIS COMMUNITY COLLEGE Alex Maguire

"The guys at big boss were absolutely excellent in helping us prepare for our debs by organising everything from busses to the best entertainment we could have wished for on the night! Couldn't of been happier with them! 5 stars!!"

#### GAELCHOLAISTE ENNIS Hannah O'Brien

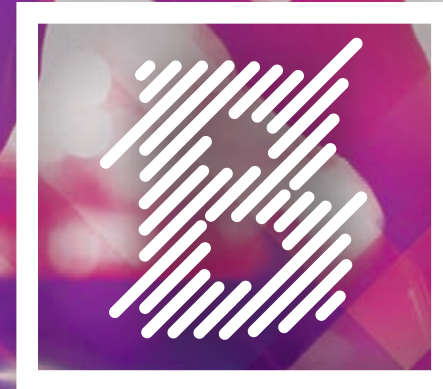

"As a committee we had no doubt in our minds but to pick Big Boss Events to help us organise our Debs and they certainly lived up to our expectations. Everything was done to perfection and they were so easy to work with. They left us with very little work to do ourselves which really took a lot of pressure off us. It was definitely a night to remember."

#### CBS LIMERICK Darragh Joyce

"We used Big Boss Events for both our Debs and Graduation, we couldn't have asked for a smoother journey. From start to finish Big Boss made everything so seamless, definitely a 10/10 and I would recommend anyone hoping for a good night to get in contact with the them. They also have the friendliest staff around."

#### ST.JOHNS BOSCO, KILDYSART Chloe Normoyle

"Big Boss Events were amazing from the first meeting we had with them until we left the hotel at the end of our Debs. Everything we asked for was delivered and delivered amazingly. From fun with photo boots to the best band and DJs. We will never forget what an amazing night we had."

# STEPS TO PLANNING YOUR DEBS

## IRELANDS LEADING DEBS COMPANY

**Big Boss Events** is Irelands leading Debs, Graduation, and College Ball Event Management Company. We are student event management specialists who work independently and for you! The team behind Big Boss Events have been in the event business for over ten years, and we have built up fantastic relationships with schools, venues and suppliers throughout Ireland.

## BENEFITS OF WORKING WITH BIG BOSS EVENTS.

### STRESS AND HASSLE

The true benefit of working with Big Boss Events is that the stress and hassle of organizing everything is taken off your shoulders, leaving you to just turn up and enjoy the night that you helped create with your friends. There is a lot to consider when you are planning an important event such as your debs and you want everything organized and planned to perfection. This is what we do best! We also have public liability insurance, so don't worry we have you covered!

### DECREASED COSTS

The other major benefit is cost. People often presume that custom designed packages mean increased cost. This is simply not true, our custom packages cost an average of 20 euros less per ticket than if you were to put a similar package together yourself. Nothing can beat our prices or our attention to detail. We work with our suppliers all year round at hundreds of events and therefore we can pass on that saving to students with lower ticket prices.
